

Valid only at time of printing

Construction

- | | |
|-----------------------------|-----------------------|
| 1. Optical Fiber, multimode | 50/125/245 |
| 2. Buffer material | ePTFE |
| 3. Sheath material colour | thermoplastic natural |

Characteristics

- | | |
|-----------------------------|---|
| Operating temperature range | -65°C to +135°C |
| Weight | 0,85 g/m nom. |
| Optical Loss | 3,0 dB/km max. at 850 nm
1,0 dB/km max. at 1300 nm |
| Bandwith | OM5 |
