

Report Suspicious Cyber Incidents

System Failure or Disruption

Has your system or website's availability been disrupted? Are your employees, customers, suppliers, or partners unable to access your system or website? Has your service been denied to its users?

Suspicious Questioning

Are you aware of anyone attempting to gain information in person, by phone, mail, email, etc., regarding the configuration and/or cybersecurity posture of your website, network, software, or hardware?

Unauthorized Access

Are you aware of anyone attempting (either failed or successful) to gain unauthorized access to your system or data?

Unauthorized Changes or Additions

Has anyone made unauthorized changes or additions to your system's hardware, firmware, or software characteristics without your IT department's knowledge, instruction, or consent?

Suspicious Email

Are you aware of anyone in your organization receiving suspicious emails that include unsolicited attachments and/or requests for sensitive personal or organizational information?

Unauthorized Use

Are unauthorized parties using your system for the processing or storage of data? Are former employees, customers, suppliers, or partners still using your system?

We encourage you to report any activities that you feel meet these criteria. Note that our policy is to keep any information specific to your site and system confidential unless we receive your permission to release that information. US-CERT has partnered with law enforcement agencies such as the U.S. Secret Service and the Federal Bureau of Investigation to investigate cyber incidents and prosecute cyber criminals.

Report any incident to your local ITAC

As a participant in CTPAT, Gore is making a firm commitment to enhance the security of goods moving through our international supply chain. Gore works to protect its supply chain from criminal activities such as drug trafficking, terrorism, human smuggling, and illegal contraband. Allegations or indications of any of the above activities or risks in Gore's supply chain will be promptly investigated and appropriately addressed. An Associate who has evidence of or concerns about inappropriate or illegal conduct in Gore's supply chain are directed to contact their regional Trade team, their leader or the Gore's Ethics Hotline.
