Requirements for returns:

- All returns are subject to a 20% restocking fee based on original purchase price.
- Any products not found on our standard price lists may not be returned.
- Full and partial sheet products may not be returned.
- GORE® Joint Sealants without adhesive may not be returned.
- Gore requires that the information on this form be completed and returned to Gore prior to return of material
- Product shipped more than one (1) year prior to this return request will not be accepted. Gore will check when the material was originally shipped before issuing credit.
- Upon receipt and approval of this form, Gore Inside Sales will create a Return Authorization Number (RMA#) for your return.
- **Material must be in its original packaging, free from the addition of writing, marking or stickers, and properly packaged for shipment back to Gore. Gore will not accept any material that is damaged, not packaged, or that does not match the full packaging unit as you received it.**
